Amin Malekzadeh

My name is Amin Malekzadeh — a Dubai-based visual artist, photographer, director, film editor, graphic designer, and news presenter/narrator. Originally from Iran, I've built a diverse career in the visual and media arts, and I am honored to be recognized as a distinguished artist in the UAE, where I hold the prestigious Golden Visa in the field of art and creative media.

My photography portfolio spans high-end portraits, fashion campaigns, product and jewelry shoots, beverage and dessert photography, food styling, and urban landscapes — with a strong emphasis on cultural storytelling, including traditional Arabic dress. I bring together visual elegance and narrative depth to create images that are both aesthetically refined and commercially impactful.

As a photographer, I specialize in creating striking portrait photography that reveals the true essence of each individual. Through a careful balance of lighting, composition, and emotion, I capture images that go beyond appearance—highlighting character, story, and presence. Whether for fashion, branding, or personal expression, my portraits are crafted to be timeless and impactful. From dramatic editorial work to soft, natural beauty, every photo is a reflection of authenticity. Let me help you tell your story through powerful, visually compelling portraiture.
